

Education Department Certifications offered beginning Fall 2010:

Thiel College will be offering a new teacher preparation program within the education department starting in the fall of 2010 pending approval from PDE. The dual certificate of Early Childhood Education (Pre-K through 4) along with Special Education (K through 8) will now be available for students as a possible major. Students will be able to complete this certificate within a 4 year time frame (as outlined within the Pre-K – 4/Special Education Template.)
