Additions to PA’s Instructional and Educational Specialist Preparation Programs:
Accommodations and Adaptations for Students with Disabilities in an Inclusive Setting and
Meeting the Needs of English Language Learners

PA’s teacher preparation programs must include the competencies and skills needed to equip teachers to accommodate and adapt instruction for students with disabilities in an inclusive setting and to assist English language learners.

Final rulemaking for the State Board of Education published in the PA Bulletin on September 22, 2007 requires all instructional and educational specialist preparation programs to include the following by January 1, 2011:

1. At least 9 credits or 270 hours regarding accommodations and adaptations for students with disabilities in an inclusive setting (instruction in literacy skills development and cognitive skill development for students with disabilities must be included); and
2. At least 3 credits or 90 hours regarding the instructional needs of English language learners.

Candidates who apply for a PA instructional and/or educational specialist certificate on or after January 1, 2013 must have completed the credits/hours described above.
