

Frequently Asked Questions About Housing

- **What are my housing options?**
 - Freshman – Florence West, Sawhill Hall, and Hodge Hall. Please note Hodge Hall has an additional charge as it is the most recently renovated dormitory building on campus. You will be able to choose your building on the online questionnaire which you will receive AFTER you attend a registration day.
 - Transfer Students – You can request housing in any of our campus buildings (including freshman buildings) but please note that Apartments and Townhouses have very limited space availability as our current students select housing in April 2016.
- **How do I apply for housing?**
 - Check your Thiel email (you must activate it first!) AFTER you attend a registration day on campus. All instructions and housing info will be sent to your Thiel email.
- **Do I need to submit a housing deposit?**
 - NO, all new students pay a registration/tuition deposit....your housing deposit is included in that cost. No need to send an additional check!
- **Is living on campus mandatory?**
 - YES, Thiel College requires that all students live in college housing and participate in a meal plan throughout their enrollment at the College, excluding summer sessions. Exemptions to this requirement included:
 - Commuting to school from their parent(s) or legal guardian(s) home address, determined by zip code, within a radius of 35 miles from Thiel campus.
 - Veterans with one or more years of active service
 - Age 23 and older
 - Married
 - Single Parents
 - Have previously lived on campus for 8 semesters, excluding summer sessions
 - Can demonstrate other acceptable extenuating circumstances (in writing and submitted at least 2 weeks prior to the semester for which the request is made. Send to the Vice President of Student Life)
- **What does my room come furnished with?**
 - All dorm rooms are slightly different but are all approximately 11x12 or 9x14 in size.
 - All students receive a bed, mattress, dresser, desk, desk chair, and closet or wardrobe space.
 - All beds are Twin Extra Long: be sure to purchase bedsheets accordingly. For your convenience Thiel partners with a linen company called RHL and orders can be placed here <http://www.rhl.org/thi>
- **What items should I bring (or not bring)?**
 - A full list of items can be found at http://www.thiel.edu/campus_life/residence-life
- **When will I get my housing info/roommate assignment?**
 - All housing info will go to your Thiel email account. We do our best to get this info to you as quickly as possible. Students who attend Admissions Registration Days first, get first priority on their building preferences. All students will receive their housing assignment by mid-July at the latest. Once you receive your assignment, changes cannot be made until after the first 2 weeks of the semester.
- **Can I request to live with someone I know?**
 - YES, there will be a space on the online questionnaire. However, please note that **BOTH** students need to request each other in order to be placed together. Coaches and staff members may make suggestions, but due to NCAA rules and regulations, students themselves must make the specific request on their questionnaire. Make sure that you and the student you choose to live with discuss sleep habits, study habits, room cleanliness, sharing items, etc. to ensure you are on the same page. If you do not request someone, you will be matched based on the answers on your questionnaire.
- **Does my room come with an AC unit?**
 - NO, our buildings are not equipped with central air. However, the temperatures in Greenville are typically cooler. If students have a medical need for an AC unit, they may request one on their questionnaire (\$275 per year cost to if you request an AC unit). Units will not be removed during cooler weather.
- **Can I reserve a private room?**
 - Private rooms are very limited and are assigned on a Medical/Disability need basis. Students can contact the Office of Disability Services (Tami Micsky) at 724-589-2063 and complete an Accommodated Housing packet.
- **When do I move in?**
 - Move-In day information will arrive with your housing and orientation information. Continue to check your Thiel email throughout the summer for updates!
- **Should I bring a carpet for my dorm room?**
 - We recommend that you do NOT purchase a carpet/area rug until students arrange their rooms. Beds can be lofted and/or bunked which will determine the floor space.
- **Are my buildings supervised?**
 - YES, all buildings are staffed with Residence Life Staff Members: RD's (Resident Directors) and RA's (Resident Assistants) will greet students on move-in day and live in the buildings. Our public safety police officers are also available 24/7.
