1. Log in to your IMLeagues.com account
2. Click the Player Signup button at the top right of your User Homepage page
3. The current sports will be displayed – click on the sport you wish to join
4. You can join the sport one of three ways:
 - Create a team (for team captains)
 - Captains can invite members to their team by clicking the "Invite Members" link on the team page. Any invited members must accept the invitation to be joined to your team
 - If they've already registered on IMLeagues: search for their name, and invite them
 - If they haven't yet registered on IMLeagues: scroll down to the "Invite by e-mail Address" box, and input their Thiel e-mail address
 - Join an already created team
 - Use the Player Signup button at the top right of every page
 - Accepting a request from the captain to join his team
 - Finding the team and captain name on division/league page and requesting to join
 - Going to the captain's playercard page, viewing his team, and requesting to join
 - Join the sport as a Free Agent

You can list yourself as a free agent in as many sports as you'd like. You will be visible to all members of the site and can request to join teams, or post information about yourself so teams can request to add you to their team.
