Dial 724.589.2222

The Thiel College Department of Public Safety is part of the Administrative Services division of the College. The Department of Public Safety has a multi-faceted mission. In addition to maintaining a safe environment for the campus community, the department is responsible for educating and involving campus members in safety and security issues including fire safety inspections and crime prevention education programming. It is a full-service campus police department with five sworn police officers and several part-time police officers. All of the officers have been trained in CPR and first aid. All the officers have met the standards of Pennsylvania Municipal Police officer training and are armed. In addition, officers receive in-service training related to the specific needs of the campus community. There are Municipal Police Training Academy instructors, Crime Prevention Practitioners, Emergency Medical Technicians and Instructors and first aid/CPR instructors on staff.

The Department of Public Safety works closely with the Greenville-West Salem Township Police Department, the Hempfield Township Police Department and the Mercer County District Attorney's Office when incidents of a serious nature arise. Crime and other emergencies that may represent a threat to students and employees will be reported to members of the campus community in a timely manner. The reports may be made in Safety Bulletins, *The Thielensian*, T-Notes or memos distributed from the Office of the Dean of Students or other administrative offices of the College.

Working closely with residence life staff, members of the Department often respond to incidents in the residence halls ranging from noise complaints to maintenance problems. Residents play an important role in ensuring their safety within the residence halls. Propped doors, maintenance problems, such as broken locks, lights that are out, broken windows, etc., and suspicious activity or situations should be reported immediately.

The Department of Public Safety is responsible for compiling the annual statistical information. Anyone may report a crime or violation of campus regulations to Public Safety. They may also report the crime or violation of campus regulations to the Division of Student Life. The division will notify Public Safety. All crimes are classified according to the Pennsylvania Criminal Code. Each report of criminal activity and/or violations of campus regulations will be investigated to determine the appropriate course of action. Anonymous reports are accepted, but anonymity cannot be guaranteed through all processes of either the campus judicial system or the criminal justice system. All reports to Public Safety whether verbal or written are accepted.

In academic year 2009-10 there were 942 full-time students and 57 part-time students. Of these, there were 763 housed on campus. There are 273 non-student employees working at Thiel.

The 22 buildings that serve as residence halls on campus have self-closing doors at their main entrances. 13 of these residence buildings have card access readers at their main entrance(s) and their other doors are electromagnetically secured. The residence life staff is responsible for checking door security on a regular basis. All buildings are locked and checked during breaks. Ten of the residence buildings have sprinkler systems.

All residential buildings have fire alarm systems that are monitored off-campus. The Department works closely with the Greenville Fire Department to assure the safety of the campus.

There are 15 main parking areas that are regularly patrolled. Officers issue parking violation notices to violators and also perform traffic control duties for events that draw large crowds to campus.

ALCOHOL POLICY

Student Alcohol Policy The Thiel College Alcohol Policy and related educational programs are, as far as possible, educational in nature and designed to promote responsible decision-making concerning the use of alcohol in this community. The goals of this policy are: to create an environment dedicated to student success, to help educate our students about the effects of alcohol and laws associated with alcohol, to ensure compliance with the law, and to maintain an informed community where the effects of alcohol abuse and the behavioral problems associated, are minimized. The College expects all members of the community to be respectful of the right of others in order to contribute to an environment conducive to educational and personal development.

This policy reflects local and state laws governing the use and distribution of alcohol and recognizes the rights of individuals who are 21 years of age or older to consume alcohol in a legal and responsible manner. The College expects community members to abide by the laws of the State of Pennsylvania and the policies of the College. Any member of the community, including Residence Life and Campus Police personnel, may confront and report individuals whose behavior is in violation of these policies. Sanctions will be imposed upon students who violate this policy, or other policies of the College.

Intoxication is not justification for violating any College policy.

All students and students' guests within the Thiel community are expected to observe the College Alcohol Policy, which includes the following rules and regulations:

1. Persons 21 years of age and older may possess and consume alcohol in west campus residence hall rooms, suites and apartments upon applying for and receiving Over-21 Status from the Department of Residence Life (see Over-21 Status Policy).
2. Since our first year residence halls are all located on east campus, and it is fair to assume that the majority of first year students living in those halls are under the legal age to consume alcohol. So no alcohol is permitted in east campus housing unless authorized by the Dean of Students and/or President's Office.
3. Possession of Alcohol Paraphernalia by individuals under 21, including, but not limited to, cans, bottles, beer bong, drinking game materials, cups containing alcohol, etc. are prohibited.
4. Open containers of alcohol are not permitted in common areas unless given prior approval by the Dean of Students or his/her designee. Common areas include, but are not limited to, academic and office buildings, residence hall lounges, bathrooms and hallways, athletic facilities, and outdoors. For the purpose of this policy, individual apartment and/or townhouse common spaces are not included unless the apartment/townhouse is occupied by individuals under 21 or has not received Over-21 Status.
5. Gatherings with bulk alcohol (defined as any quantity of beer in excess of two cases (48 twelve oz. cans) or the alcohol equivalent of wine) are not permitted in the residential facilities (except where noted in the Thiel College Student-Sponsored Social Events with Alcohol Policy found below). Kegs (with or without alcohol), beer balls and/or taps are not permitted in residential facilities (except where noted in the Student-Sponsored Social Events with Alcohol Policy).
6. Gatherings with bulk alcohol may be permitted in College designated social spaces. Social hosts are required to comply with the Student-Sponsored Social Events with Alcohol Policy, published here and in a Guide to Social Programming with Alcohol available in the Office of Student Activities.
7. Spirits (i.e. hard liquor or drinks with more than 14% alcohol content) are not permitted anywhere on campus unless authorized by the President.
8. The College reserves the right to notify the parents or guardian of a student who is transported to the hospital for an alcohol overdose or cited by Campus Police for alcohol related behavior, and to require that the student participate in an educational program on alcohol and/or other drugs at his/her own expense. The College may also choose to notify parents or guardian of any alcohol or drug related violation.

9. No drinking games or contests of any kind are permitted on campus (i.e. beer-pong, flip-cup, waterfall, etc.).

Over 21-Status Students of legal drinking age that live on campus and meet the prerequisites established by the College may be accorded Over-21 Status for their individual apartments and/or room by the Department of Residence Life. Over-21 Status is a privilege granted to students and can be rescinded should students fail to use alcohol responsibly and in accordance with College policy. Students living in spaces that have been designated and approved as Over-21 Status must comply with the following rules:

1. The Over-21 Status Card must be placed on the inside of the entrance door to the room, apartment, and/or townhouse. This status will only be given to rooms and/or apartments where all residents are over 21 years of age.
2. No residence hall, theme house, apartment, or townhouse room may have more than one case of beer, wine coolers, or similar drink (24 twelve ounce cans) or 4 (750ml) bottles of wine, unless given approval by the Dean of Students or his/her designee.
3. No open containers of alcoholic beverages are permitted if minors (individuals under the legal age to consume alcohol) are in the room and/or apartment.
4. Occupancy rates must be upheld in each residential facility (see Maximum Number of People in a Room/Apartment Policy).
5. Residents may not consume or possess open containers of alcohol in common areas, as defined previously in the College Alcohol Policy.
6. The door to the apartment, residence hall, or theme house room must be closed when alcohol is being consumed.

Student-Sponsored Social Events with Alcohol Students over 21 years of age who have attended the Social Host Preparation Workshop and TIPS Training may be permitted to host social events with alcohol in College approved areas provided the events are conducted in accordance with the following policies:

1. Events must be registered, approved and implemented in accordance with the regulations set forth by the Student Activities Office.
2. All Student-Sponsored Social Events with Alcohol require the use of a third party vendor. Regulations, requirements, and third party vendor contract information can be obtained in the Office of Student Activities.
3. Provision and consumption of alcohol must comply with Thiel College policy and Pennsylvania State law, which prohibit dispensing alcohol to anyone under the age of 21, or to any visibly intoxicated person. The social host(s) will be held personally and individually accountable for ensuring that the event is conducted in a safe, responsible, and legal manner, in accordance with these regulations. Social hosts who violate these regulations will be subject to disciplinary action through the College disciplinary process, which may include suspension from the College. Social hosts may also be subject to criminal sanctions and/or civil liability if a person to whom alcohol is served injures him/herself or a third party. In addition, organizations may also be held accountable for events that violate these regulations.
4. The hosts of student-sponsored events with alcohol are responsible for the actions of their guests, whether invited or uninvited, and may be held responsible for any damages to the area where the event is held, as well as entries, exits, common areas and bathrooms used by guests. All events must be conducted in a safe, responsible, and legal manner that is not disruptive to the surrounding area. Campus Police may close any gathering that fails to meet this requirement and disciplinary action will follow.
5. The yellow copy of the Social Host Responsibility Form (SHRF) must be prominently displayed throughout the duration of the event. Failure to do so may result in termination of the event.

6. The social host(s) must be present at all times while alcohol is available and/or served.
7. The social host(s) will refrain from consuming alcohol and remain sober for the duration of the event.
8. The social host(s) will not exceed the amount of alcohol approved on the Social Host Responsibility Form (SHRF).
9. The social host(s) and sponsoring organization are responsible for enforcing the NO SMOKING policy and all other College policies throughout the duration of the event.
10. Members of the sponsoring organization must staff the entrance, maintain an occupancy list, and monitor the event throughout its duration.
11. Proper identification indicating that a guest is 21 years of age must be presented before alcohol is served. A State Driver's Licenses or State Identification Card are the preferred forms of identification.
12. Hosts must identify students of legal drinking age with bracelets provided by the Student Activities Office.
13. Non-alcoholic beverages and low sodium/solid food must be easily accessible and provided in quantities appropriate for the number in attendance.
14. The sale of alcohol, including charging admission at the door of an event where alcohol is distributed free of charge, IS PROHIBITED. It is illegal to sell alcohol without a Liquor License from the State of Pennsylvania.
15. College funds may not be used to purchase alcohol at any student-sponsored event.
16. Student-sponsored social events with alcohol may not be scheduled during New Student Orientation, study days, or exam periods.
17. Alcohol may not be served after 2AM.
18. Cleanup of the area must be completed by 7AM the morning after the event.
19. Public advertising (including announcements through email, mass mailings, and/or internet sites) for student sponsored events may not mention alcohol or display alcohol related content (i.e. brand names and logos, photos or pictures of paraphernalia, etc.).
20. Greek Letter Organizations will be responsible for following the Risk Management rules and regulations established by their national organizations.

Thiel College Good Samaritan & Medical Amnesty Policy The health and safety of our students is of principal concern to Thiel College. In cases of extreme intoxication or other medical emergency due to the use of alcohol or drugs, the College encourages individuals to seek medical assistance for themselves or others. If an individual seeks such medical attention, the Student Life Office will not pursue disciplinary sanctions against the student for violations of the Alcohol and/or Drug Policy found in the Thiel College Student Code of Conduct. Further, those students who assist in obtaining medical attention for others will not receive disciplinary sanctions from the College for violations of the Alcohol and/or Drug Policy. However this policy does not grant amnesty for all actions, including, but not limited to, possession with the intent to sell. In lieu of sanctions under the Student Code of Conduct, the student receiving medical attention, as well as the referring student(s), will be required to meet with a member of the Student Life Staff and may be issued educational requirements that could include, but are not limited to, alcohol and/or drug education, counseling, and/or a substance abuse assessment. Serious or repeated incidents will prompt a higher degree of concern/response. Failure to complete educational assignments or treatment recommendations issued under this policy normally will result in disciplinary action. Also the student will be responsible for any costs associated with drug or alcohol education interventions. The Medical Amnesty Policy does not preclude sanctions due to any other violations of the Code of Conduct. Also this policy does not prevent action by police or other law enforcement personnel and does not excuse or protect students who repeatedly violate the College's Alcohol and/or Drug Policies. In cases where repetitive violations occur, appropriate disciplinary action will be taken.

Application to Student Organizations: In circumstances where an organization is found to be hosting

an event where medical assistance is sought for a member or guest, the organization (depending upon the circumstances) may be held responsible for violations of the Alcohol or Drug Policy. However, the organization's willingness to seek medical assistance for a member or guest will be considered in determining sanction(s) for violations of the Thiel College Code of Conduct.

Culpability and the Alcohol Policy

Each student present in a room or area at the time of a violation may be held responsible for any rule violation, which occurs when they are present. Students are advised in advance to avoid such situations that may put them at risk for disciplinary action.

Thiel College Enforcement

To emphasize the importance of adhering to these guidelines, should a person or group violate the Drug/Alcohol Policy, sanctions may include but are not limited to the following:

Disciplinary Probation varying in length between 6 months and the student's entire academic career

Fines from \$100-\$300

Assignment of Community Service (see 5 under Disciplinary Sanctions)

Substance Abuse Counseling referral

Loss of Privilege

Residence Hall Suspension/Eviction for up to one calendar year

Disciplinary Suspension for up to one calendar year

Providers of alcohol could be removed from campus on a first offense

Court Imposed Sanctions

An alcohol offense under Pennsylvania Law can be a misdemeanor offense. A criminal record will very likely hamper a person's chances of gaining admission to another school or securing future employment.

Court imposed penalties for an underage offense (consumption, possession, transportation of liquor or malt or brewed beverages) can include: fines up to \$300 and \$500 dollars, loss of driver's license for 90 days, probation and/or community service.

Court imposed penalties for possession or manufacture of false identification cards can include: minimum fines of \$500 and \$1000 respectively for first offenses.

Court imposed penalties for selling or furnishing alcohol to minors can include: a minimum fine of \$1000 per minor involved.

Parents of students will be notified following a violation of our drug/alcohol policy beginning with the first offense.

These are standard ranges of sanctions for students found in violation of the College Alcohol Policy. Sanctions are cumulative over a student's entire career, and may be enhanced based on past disciplinary record, the severity of behavior and the impact on the community. Additional sanctions may be imposed if a student violates other college policies while also violating the alcohol policy.

Federal Government guidelines state that anyone under 21 years of age receiving Federal Financial Aid (Pell Grants) who is convicted of established Federal or State Alcohol Laws may lose his or her financial aid.

NOTE: Money collected from fines will be used to offset counseling expenses, alcohol education expenses, alcohol programming, or deposited in the Student Life Programming Account.

DRUG POLICY

Thiel College has a prime concern for the psychological and medical well-being of its students and employees, and recognizes the problems created by the misuse of controlled substances. The College prohibits the possession, distribution, sale or use of controlled substances, and all other drugs prohibited by state and federal law (i.e. marijuana, narcotics, barbiturates, hallucinogens or amphetamines). The College also prohibits the possession of drug paraphernalia (i.e. bong, one-hitters, pipes, clips, rolling papers, scales, etc.).

Students who violate this policy are subject to disciplinary action by the College and/or criminal prosecution under State and Federal law.

Sale: When, in the opinion of the Student Life representative, there is sufficient and credible information that a student is or has been trafficking in controlled substances, the student may be "Summarily Suspended" by the Office of Student Engagement and Success pending further action as described in the Student Handbook. Authorities outside the College may also be notified.

Use: Students are urged to seek help for themselves or on the behalf of others in any matter of drug use.

Sanctioning:

- A.** A drug offense under Pennsylvania or Federal Law can be a misdemeanor or a felony depending on the charge and the amount of drugs involved. In either case, a criminal record will very likely hamper a person's chances of gaining admission to another school or securing future employment.
- B.** Court imposed penalties for a first offense for possession, distribution, or use of drugs depends upon the circumstances of the case. They can include: (1) Fines of \$500 to \$250,000; (2) Jail terms of 30 days to 15 years; (3) Community Service hours; (4) Driver's License suspension for up to two years. Such penalties can be combined in a single sentence.
- C.** Student Life will issue Thiel College sanctions. Possible sanctions may include, but are not limited to, those found under the Disciplinary Sanctions section, and may be given in combination.
- D.** If found responsible for violation of College Drug Policy students may be required to undergo drug testing, paid for by the student, as a condition of their admittance to campus housing.
- E.** Federal Government guidelines state that anyone receiving Federal Financial Aid (Pell Grants) who is convicted of violating established Federal or State controlled substance laws may lose financial aid.
- F.** College sanctions may be imposed for violation of the College Drug Policy independent of or in addition to any sanction imposed by civil or criminal authorities. *[2008-09 Thiel College Student Handbook, p. 15.]*

SEXUAL HARASSMENT

Thiel College is committed to providing students, faculty and staff with a community and place of work and study that is free of sexual discrimination, including sexual harassment.

The policy on sexual harassment as approved by the Board of Trustees defines sexual harassment as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when either:

- 1) Submission to such conduct is made either explicitly or implicitly as term or condition of an individual's employment or education, or
- 2) Submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting that individual; or
- 3) Such conduct has the purpose or effect of substantially interfering with an individual's academic or professional performance or creating an intimidating, hostile or offensive employment, education or living environment.

SEXUAL ASSAULT AND RAPE

Sexual assaults, including rape, are serious crimes of violence in which the assailant, by threat or physical force, involves or attempts to involve the victim in involuntary sexual conduct.

Acquaintance rape, where the assailant is known to the victim and exploits this familiarity to force the victim into unwanted sexual activity, is rape under the law. It is just as reprehensible, and just as much of a crime, as criminal sexual assault by an unknown assailant.

You need to remember that no one has the right to force or pressure another person to have sex. Any sexual activity must be mutually agreeable to both parties. It is important for you to know your own sexual values and communicate them clearly. It does not matter what a person's sexual history is, what type of clothing is worn, how much money is spent on a date or even what the relationship is or has been. Plain and simple, you have the right to say "yes" or "no".

Don't go to jail for a misunderstanding! "No" really means "No"!

If you find yourself in an uncomfortable situation, be prepared to leave. Know ahead of time how you can get home if needed. Limit the consumption of alcoholic beverages, which reduce your awareness level. Be ready to take immediate action. Don't worry about being polite!

Avoiding Date Rape

- 1) Know your date.
- 2) Let other know where you are going.
- 3) Stay sober.
- 4) Avoid risky situations.
- 5) Trust your instincts: Don't be hesitant about ending the date if a situation seems strange or uncomfortable for you.

- 6) Be prepared to leave, have money for transportation or a phone call.
- 7) Speak assertively when saying "No"!
- 8) If on campus, call Public Safety for an escort.

SAFETY IN COLLEGE HOUSING

Because Thiel College is a residential college, students must reside in College housing. Even though there is a sense of safety living closely with one's peers, be sure that you do not allow anyone, student or non-student, to exploit that environment. The vast majority of crimes and violations that occur in residence halls involve theft of personal property.

Almost always, the theft is from an unlocked room or an unattended common area. **YOU** can prevent these "crimes of opportunity."

Security Measures in the Residence Halls:

- A. Do not prop open residence hall doors – even for a friend.
- B. Lock your door when you leave – even for a short time.
- C. Lock your door before going to sleep.
- D. Lock windows that are accessible from the outside.
- E. Keep your small items of value, such as wallets, purses, money, and jewelry out of sight and don't advertise your hiding place.
- F. Participate with Operation Identification through the Department of Public Safety.
- G. Do not leave notes on your door announcing that no one is in.
- H. **NEVER** loan out your keys or ID card.
- I. Report any persons acting suspiciously in or around residence halls. Note their description and location and call Public Safety immediately.
- J. Report all theft immediately to Public Safety.

Personal Safety Measures:

- A. Always call 2222 for an escort when walking alone after dark.
- B. When walking in groups or pairs without a Public Safety escort, walk assertively and confidently, and be aware of your surroundings.
- C. If you receive annoying or harassing telephone calls, hang up immediately – do not respond to the caller. Call Public Safety. If the calls persist, keep a record of the time, the voice description and then contact Public Safety. If you feel that you are in immediate danger, call Public Safety at once.

FIRE SAFETY

Public Safety officers check all fire safety systems monthly and all systems are annually inspected by both the Greenville Fire Department and a contractor to assure their integrity.

If the Alarm Sounds

The most important thing for you is getting out. Know your closest exit from the building. Move quickly, but do not run. Do not stop to collect valuables. Use normal exits if you can, under no circumstances should you use an elevator. You must leave the building when the fire alarm sounds, even if you believe it is an false alarm, Do not reenter the building until given permission to do so by College officials.

If you must go through smoke or heat, remember that they rise. Crawl, keeping your face a little above the floor. Once you are out, move well away from the building. This way you won't interfere with Public Safety and fire department efforts to enter the building.

If you are trapped in your room, stuff a sheet under the door to keep smoke out. Open a window slightly at the top and bottom to let air in, and yell for help. If you have phone service call 2222 and report your name and location. Jumping out a window is an extreme and hazardous measure, *Do not do this* unless there is no other option.

Campus Police and Appropriate police agencies

The Campus Police department has the authority to remove and/or arrest unauthorized individual or groups from any and all facilities, to confiscate any weapons, alcohol or drug paraphernalia, and to issue traffic violations on the campus. When the campus Police department encounters resistance to its legitimate authority or a potentially dangerous situation, local or state law enforcement agencies will be contacted for assistance. TIMELY WARNINGS

In the event that a situation arises, either on or off campus, that in the judgment of the Chief of Campus Police constitutes an ongoing or continuing threat, a campus wide “Timely Warning” will be issued to the entire campus community. The warning will be issued through the college e-mail system and/or other mechanisms to all students and employees.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the campus community and individuals, a copy of the notice or photo will be posted in all residential buildings and on other campus owned property as deemed appropriate by the Chief of Campus Police.

All crime victims and witnesses, and/or anyone with information warranting a timely warning are strongly encouraged to immediately report the crime to the Campus Police and the appropriate college official. Prompt reporting will assure timely warning notices on campus and timely disclosure of the crime statistics.

REPORTING OF THE ANNUAL DISCLOSURE OF THE CRIME STATISTICS:

The Chief of Campus Police prepares this report to comply with the Jeanne Clery Disclosure, Campus Security Policy and Crime Statistics Act. This report is prepared in cooperation with the local law enforcement agencies surrounding Thiel College.
