Nu Rho Psi

The national honor society for neuroscience

If neuroscience is one of your driving interests, then you belong in Nu Rho Psi. Once you become a member you are a member for life, and your membership can become a springboard for the networking and collaboration of like-minded colleagues interested in the study of the brain.

Nu Rho Psi offers regional and national conferences, encourages intellectual and social interaction between students, faculty, and other neuroscience professionals, promotes career development, and increases public awareness of neuroscience and its benefits. Membership is by invitation only.

Here's how you qualify for membership:

Membership is by invitation and is open to graduate and undergraduate men and women who are making the study of Neuroscience one of their major interests and who meet the other academic qualifications. Nu Rho Psi is also open to qualifying Neuroscience faculty and alumni of Neuroscience programs. Requirements for membership include:

- Major or minor in Neuroscience
- Completion of at least 3 semesters of the College course
- Completion of at least 9 semester hours of Neuroscience-related courses
- Undergraduate cumulative GPA of 3.2 and a minimum GPA of 3.5 in Neuroscience courses
