for transfer of credits toward the Bachelor of Arts/Science Degree. I am seeking approval for the following courses:

| Course #<br>and Dept. | Specific Course Title | C.H. | Thiel Equivalent | Apply as<br>Major/Core/<br>Elective |
|-----------------------|-----------------------|------|------------------|-------------------------------------|
|                       |                       |      |                  |                                     |
|                       |                       |      |                  |                                     |
|                       |                       |      |                  |                                     |
|                       |                       |      |                  |                                     |
|                       |                       |      |                  |                                     |

Note to Student: Students must earn a grade of C- or higher for the course credits to transfer. For acceptance of these courses toward the degree, the official transcript must come directly from the school in which the courses are taken to the Registrars Office at Thiel College immediately after the completion of the courses.
