

2021

Honors Convocation

THIEL[™]
COLLEGE

Alpha Chi

Founded in 1922, Alpha Chi is one of only four national scholarship societies admitting to membership superior junior and senior students, irrespective of their fields of study. The objectives of Alpha Chi are the promotion and recognition of scholarship. On the 300 campuses with chapters, Alpha Chi membership is the highest academic honor that may be awarded.

Academic Honors

*Earned in spring 2020 and/or fall 2020
Awarded for 2019-2020 and 2020-2021 academic years*

Dean's List

To be eligible for the Dean's List, a student must attain a minimum grade point average of 3.4 for the term, based upon grades earned in a minimum of 12 conventionally graded credit hours.

Dean's List Special Recognition

Special Recognition is accorded to those sophomore and junior students named to the Dean's List for both regular terms during each year they have been at Thiel, and to senior students who were named to the Dean's List for at least five of six regular terms while enrolled at Thiel.

Additional Awards, Grants & Scholarships

These are primarily restricted awards, grants and scholarships for currently enrolled students. They are supported by endowed funds established by the gift of a principal sum to the College. All of the named awards are based, at least in part, on academic achievements in the student's major area of study.

Designation as an Honors Convocation Award recipient is based on eligibility calculations by Academic Records and Financial Aid as of 5 p.m. Jan. 2. No changes were made to eligibility after that date.

Dietrich Honors Institute

Honors Program Participants

The Dietrich Honors Institute (DHI) exists to provide a superior foundation upon which a high-quality liberal arts education may be built. It does this partly through a specific set of core courses that are designated and designed especially for DHI students. Participants in the program have been invited on the basis of high school or college achievement and must maintain a high level of performance at Thiel.
