

# Thiel College

## Panhellenic Association

### Helping sororities to meet their individual missions

Each sorority has its own ideals, its own standards and its own goals. As the governing body for sororities on campus, Thiel's Panhellenic Association exists to help sororities to work together to showcase the transformational power of the sorority experience. Three women from each sorority are chosen to be part of the association.

It is part of the National Panhellenic Conference which is made up of 26 national sororities. Initially, the Conference was founded to provide a critical support system for women on campuses that were anything but welcoming. Today, the NPC continues to empower women by working to make campuses safe for individuals of all genders.

## Panhellenic Association

### Here's what Thiel's Panhellenic Association and the NPC do to enhance Greek life on campus:

- **Panhellenic Academy**

This day-and-a-half-long academy will provide the opportunity for hands-on training with NPC representatives, allowing attendees to refocus their commitment to NPC values and in turn, shape their sorority communities.

- **Be Bold**

Be Bold is an interactive video series from the National Panhellenic Conference that offers women the opportunity to explore critical topics affecting their lives and empowers them to be their best, most authentic selves.

- **Something of Value**

Something of Value is a values-based approach to risk management education for collegians. During the full-day interactive community building experience, College Panhellenic communities build capacity, relationships and influence in addressing risky situations in their community

Be sure to contact an admissions counselor to learn about scholarship opportunities.
