6. The Thiel homepage should appear in your browser to show you are connected.

Mac OS 10 Laptops:

1. Locate and click the Wi-Fi icon on your computer.
2. Select Thiel_Guest from the list.

3. You will be redirected to the Thiel College Guest Registration Center. Click to continue.

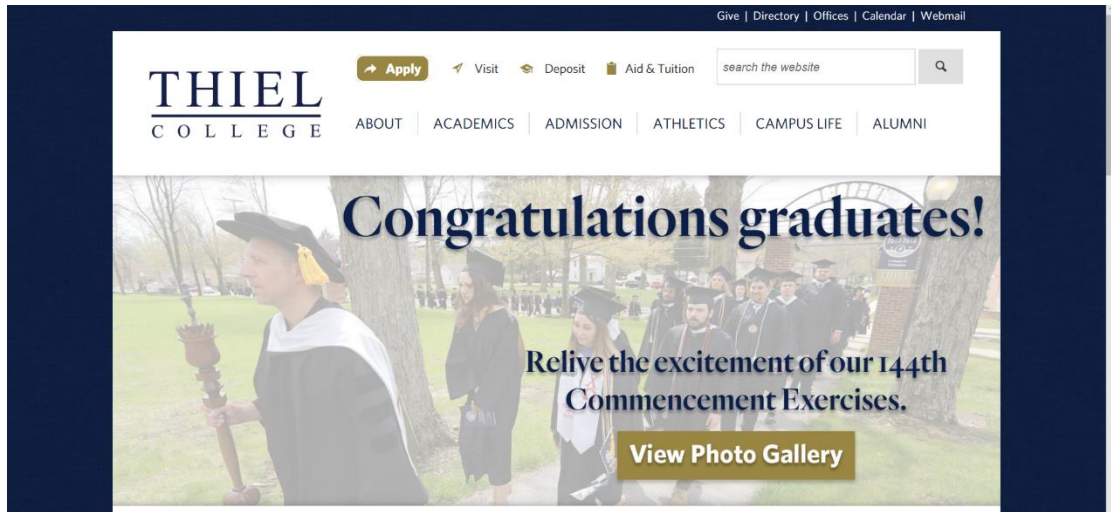

4. On the right hand side under register as guest, click on register.

The screenshot shows the Thiel College Guest Registration Center interface. At the top is the Thiel College logo. Below it, a message states: "You have been **denied** network access because your device is not currently registered to the network." This is followed by instructions: "Please use the following button below to register your device and obtain network access. Note that you **must** have valid login credentials to register on the network." The page is divided into two main sections. The left section, titled "Network Login", contains fields for "User Name" and "Password", each with a red asterisk indicating a required field, and a "Login" button. The right section, titled "Register as a Guest", contains a "Register" button and a "Sign in with Facebook" button. A red arrow points to the "Sign in with Facebook" button.

5. Fill out the form that appears with your first name, last name, and an associated email address. Check the checkmark to the Acceptable Use Policy. Click complete registration.

The screenshot shows the Thiel College Guest Registration Center registration page. At the top, a message states: "You have been **denied** network access because this device is not registered to the network." This is followed by instructions: "To obtain network access, you **must** complete registration using the form below" and "By registering to the network, you are **agreeing** to the terms and conditions explained in the [Thiel College IT Acceptable-Use Policy](#)". The page is divided into two main sections. The left section, titled "Company's Acceptable Use Policy", contains an "Introduction" section with a paragraph of text. The right section contains a registration form with fields for "First Name" (containing "Tommy"), "Last Name" (containing "Tomcat"), and "E-Mail Address" (containing "tomcats@gmail.com"). Each field has a red asterisk indicating a required field. Below the form is a checkbox labeled "I agree to the Acceptable Use Policy" which is checked. A "Complete Registration" button is located below the checkbox. At the bottom, a message states: "Please press the Complete Registration button only once."

6. The Thiel homepage should appear in your browser to show you are connected.

iPhone/ Apple Devices:

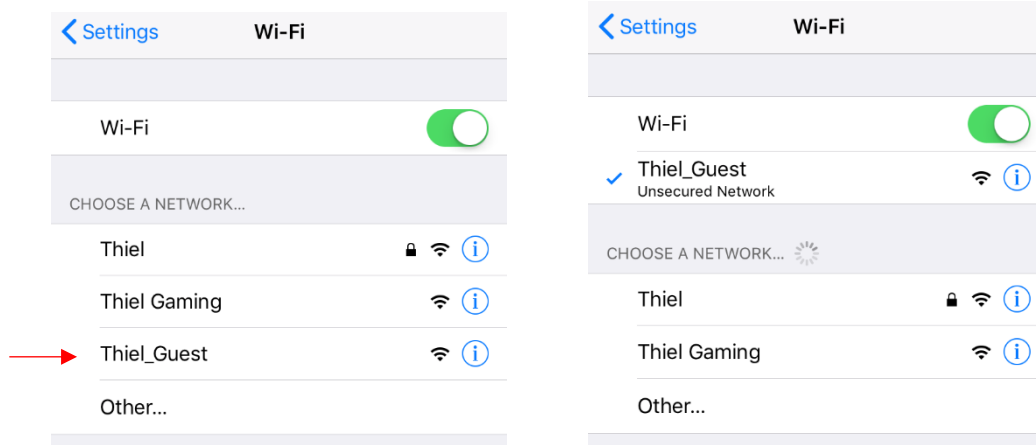

1. Access the settings options on your iPhone.

2. Locate the settings for Wi-Fi.

3. Select Thiel_Guest from the list.

4. You will be redirected to the Thiel College Guest Registration Center. Click to continue.

5. Scroll down to click the option to register as a guest.

The image shows a mobile app interface for the registration form. At the top, there is a header bar with the text "SIGN IN TO WI-FI NETWORK" and a "MORE" link. Below this is the Thiel College logo, which consists of the word "THIEL" in large, bold, serif letters, with "COLLEGE" in smaller letters underneath. The form itself has a light grey background and contains the following fields:

- First Name***: A text input field with the value "Tommy" and a clear button (X).
- Last Name***: A text input field with the value "Tomcats" and a clear button (X).
- E-Mail Address***: A text input field with the value "tomcats@gmail.com" and a clear button (X).
- I agree to the Acceptable Use Policy***: A checkbox that is checked, indicated by a blue checkmark.

At the bottom of the form is a grey button labeled "Complete Registration".
