“ I am so grateful for earning the Baughman Scholarship. Not only does this award help me financially, but it gives me more free time. Since I won the award, I do not have to work as much, so I have more time to focus on my education. This award also gave me the opportunity to not have to take out a student loan, which helps with not only my stress but my family's. Once again, I am so grateful for Thiel College and this scholarship! ”
