

## Important Check-In Information for New Residential Students

### When?

First-year students who are not already on-campus for a camp or other activity will move in on **Saturday, August 26, 2023**. Move-in arrival times are based on the Residence Hall and floor in which you be living. **Please make note of your specific move-in time listed below:**

11:30 a.m.	Hodge 300s and Sawhill 100s
11:30 a.m.	Florence West 100s and 200s
11:45 p.m.	Hodge 200s
12:00 p.m.	Hodge 100s and Sawhill 200s
12:00 p.m.	Florence West 300s and 400s

The move-in times are staggered so that volunteers can assist you with the heavy work of carrying items up the steps. **Please help us make the process a smooth one by arriving promptly at your scheduled time.** If we have families arriving out of order it could delay the move-in and check-in process. We also recommend marking as many of your items as possible with your building and room number.

### Where?

Please follow the signs to report to the **Alumni Stadium (Gym) Parking Lot** located at 75 College Avenue in Greenville. Upon arrival, you will be directed through a “drive-in” route to your building. Students will receive a packet of information about Welcome Weekend and other items as part of the drive-in process.

**If you have not finalized your financial arrangements or submitted your medical documents, please do so prior to arriving on campus. You will be directed to meet with a Thiel representative prior to participating in other activities.**
