Earn a Master's Degree while you work.

Ask most business leaders and they will tell you an M.B.A. is the gold standard in business education. With an M.B.A., you are more likely to get promoted and see higher earnings.

Whether your goal is to expand your business career, manage a non-profit organization, or own your own business, you'll get the experience and business acumen you need to make it happen.

Designed for working professionals, Thiel's part-time M.B.A. program makes it possible to further your education while managing work and life responsibilities.

“Being good in business is the most fascinating kind of art.
Making money is art and working is art and good business is the best art.”

Andy Warhol | American Artist

Complete your degree in as little as 24 months with the same challenging business curriculum as our full-time M.B.A. program. It's a robust blend of student-centered experiential learning opportunities with on-campus core courses in management, finance, marketing, organizational leadership, and more.

- **Classes begin every 10 weeks**
- **Day & evening classes available**
- **No GRE/GMAT requirement**
- **Competitive tuition and financial aid**
- **Pay as you go or financing options available**
- **Transfer credits considered**

As part of Thiel's M.B.A. program, you will:

- Develop close, long-term relationships with our business faculty.
- Enjoy personal advising in a highly individualized hybrid learning experience that combines on-campus and experiential learning.
- Receive a graduate assistant credit for work accomplished at your current employer, which will help defray costs.
- Gain valuable experience by working a paid internship for a private sector business.
- Benefit from numerous networking opportunities
