

## Thiel Collage MS-PA Licensure Disclosure

Thiel College is accredited nationally by the [Middle States Commission on Higher Education](#).

### Accreditation Status

ARC-PA has withdrawn the Thiel College PA Program from the ARC-PA accreditation process. Subject to fulfillment of various obligations, the Thiel College PA Program will remain accredited on probation through August 31, 2027 in order to complete a teach-out of currently enrolled students. The Thiel College PA Program will not accept any new students for enrollment. Specific questions regarding the Thiel College PA Program and its plans should be directed to the Program Director.

**The Physician Assistant Program at Thiel College is no longer accepting further enrollments.**

The program's accreditation history can be viewed on the ARC-PA website at <https://www.arc-pa.org/accreditation-history-thiel-college/>.

States may have educational requirements apart from graduating from an accredited program or University in order to practice the profession. Please see below for Thiel College's determinations as to whether its Physician Assistant (M.S.) program, upon successful completion, meets the following U.S. states and territories' educational requirements as of March 27, 2026.
