

3+1 Dual Degree: Bachelor's to MBA

Accelerated Path. Exceptional Future.

Did You Know?

You don't have to wait five or six years to earn your Master of Business Administration. Thiel College's 3+1 Dual Degree is designed for highly motivated high school students who want to fast-track their success. You will complete your Bachelor of Arts in Business Administration in just three years and transition immediately into **Thiel's 11-month MBA program**. By the time your peers are finishing their undergraduate degrees, you will already be entering the workforce with a master's credential and a significant head start on your career.

The Power of Acceleration & Affordability

- **Save Time:** Earn two degrees in just four years through a focused sequence of six semesters and three summer terms.
- **Save Money:** By completing your bachelor's in three years, you avoid the cost of an additional year of tuition, making this one of the most cost-effective ways to earn an MBA.
- **Keep Your Momentum:** Stay in "student mode" and finish your graduate studies while your academic drive is at its peak.

Job Outlook

The demand for advanced business leadership is growing. Management occupations offer some of the highest median salaries in the workforce, often exceeding **\$100,000 annually**. With an MBA, you are prepared for a **projected 9% growth** in management analyst roles, positioning you for stability and high earning potential from day one.

Thiel's 3+1 pathway prepares you for leadership across diverse sectors:

- **Corporate Leadership:** Operations, Finance, and Marketing.
- **Innovation:** Entrepreneurship and Technology Management.
- **Specialized Sectors:** Healthcare Administration, Sports Management, and Non-Profit Leadership.

What makes Thiel's 3+1 different?

We combine an ambitious pace with the personal support Thiel is known for.

- **No GRE or GMAT Required:** We value your undergraduate performance and leadership potential over standardized tests.
- **Personal Mentorship:** Work closely with faculty who know your goals and help you stay on track through an accelerated curriculum.
- **Real-World Edge:** Gain the confidence that comes from a Thiel business education, supported by a strong and active alumni network.
