

Religion

Explore Meaning. Understand the World.

Did You Know?

Religion majors build highly transferable skills—critical analysis, interpretation of complex texts, ethical reasoning, and cross-cultural understanding—that are in demand across many industries. At Thiel, small classes and close faculty mentorship allow you to engage deeply with ideas while receiving personalized guidance to connect your studies to meaningful careers or graduate study.

Job Outlook

While religion-specific occupations vary, **careers that rely on strong communication, cultural literacy, research, and analytical skills are projected to grow steadily** over the next decade. For example, employment in **community and social service occupations** is projected to grow **7% from 2023-2033**. Religion majors are well positioned for **career flexibility**, leadership roles, and success in graduate and professional programs. (*U.S. Bureau of Labor Statistics*).

Career Possibilities

Graduates with a Religion degree work in a wide range of fields, including:

- Business & Corporate Ethics
- Education
- Government & Public Service
- Law
- Media & Communications
- Nonprofit & Community Organizations
- Social Services
- Ministry & Faith-Based Leadership

Specialized Roles

This degree also opens doors to specialized roles such as **Foreign Service Officer, Public Relations Specialist, Social or Community Service Manager, Nonprofit Program Director, Ministry or Faith-Based Leader, Ethics or Compliance Coordinator, or College or Seminary Instructor**. You might be interested in some of the following courses:

- World Religions
- Philosophy
- Religion and Science
- Psychology of Religion
- Contemporary Ethical Issues
- History of Christianity

What makes Thiel's program different?

Thiel's Religion program emphasizes personal mentorship, rigorous inquiry, and real-world relevance. Faculty know you by name and work closely with you to connect your academic interests to your long-term goals—whether that's law school, graduate study, public service, or nonprofit leadership.
