

## Unlock Your Future in Nursing

Care with Confidence. Lead with Heart.

### Did You Know?

Nursing is one of the most in-demand and rewarding careers in healthcare — with job growth far above the national average. Thiel's Bachelor of Science in Nursing program gives you hands-on clinical experience, small-class support and real-world preparation so you can care for patients with confidence, compassion and skill from day one.

### Job Outlook

Employment in nursing occupations is projected to **grow 5% through 2034**, with an expected **189,100** job openings per year (*U.S. Bureau of Labor Statistics*).

The median annual wage for these careers is more than **\$93,000** for experienced professionals.

### Career Possibilities

Students graduating with a bachelor's degree in nursing can work in various industries, including:

- Hospitals and clinics
- Home healthcare
- Nursing homes and rehabilitation centers
- Hospice
- Schools and academia
- Insurance and managed care companies
- Government agencies
- Corporate/Industrial settings
- Mental health and substance abuse clinics, or treatment centers

### Specialized Roles

Nursing opens doors to countless specialties and work settings—from legal consulting and trauma care to pediatrics and geriatric nursing. According to Nurse.org, some of the highest-paying nursing jobs include:

- Certified RN Anesthetist
- Clinical Nurse Specialist
- Critical Care Nurse
- Health Policy Nurse
- Medical-Surgical Nurse
- Nursing Administrator
- Nursing Educator
- Pain Management Nurse

### What makes Thiel's program different?

#### More Than a Major — It's a Calling

Thiel's CCNE-accredited Nursing program blends academic rigor with hands-on learning and personal growth. In small classes led by supportive faculty, you'll gain clinical experience with leading healthcare partners and participate in professional development events and experiential learning opportunities. Graduates are prepared to deliver compassionate, evidence-based care, sit for the NCLEX-RN, and make a difference from day one.
