

Your **Path to Medical School** Starts at Thiel

Early Acceptance. Less Stress. More Support.

Dreaming of becoming a doctor? At Thiel College, you don't have to wait—or worry—to start your journey. **Through our partnership with Lake Erie College of Osteopathic Medicine (LECOM)**, qualified students can earn provisional acceptance to medical school early, even before stepping on campus.

This is COLLEGE the way it should be:

- A clear plan
- Personalized mentorship
- A supportive, close-knit community
- A direct pathway to your future career

What Is the Thiel-LECOM Early Acceptance Program?

The **LECOM Early Acceptance Program (EAP)** allows motivated students to interview early and secure a provisional seat in **LECOM's Doctor of Osteopathic Medicine (D.O.)** program at the Erie campus.

Why students love it:

- No MCAT required
- No traditional medical school application stress
- Early confidence in your future
- Focused academics with built-in support
- You'll complete your undergraduate studies at Thiel while knowing where you're headed next.

Why Thiel?

- At Thiel, you're never just a number
- Small classes and faculty who know you by name
- One-on-one advising and mentoring
- Strong pre-health preparation
- A welcoming campus where you belong from day one
- This is a home-like community that helps ambitious students thrive

FLEXIBLE PATHWAYS TO MEDICAL SCHOOL

Choose the pace that fits you—all leading to LECOM.

2 + 4 Accelerated Pathway

- Complete 94 credits in just 24 months (includes two summers) on Thiel's campus
- Earn a B.S. in Biology from Thiel College
- Transition quickly to LECOM medical school
- Designed for highly motivated students ready to move fast

3 + 4 Pathway

- Complete 94 credits in three years on Thiel's campus
- Earn a B.S. in Biology, Chemistry, or Biochemistry from Thiel College
- Balanced pace with early assurance to LECOM

4 + 4 Traditional Pathway

- Complete your full bachelor's degree at Thiel
- Attend LECOM medical school
- Ideal for students who want a traditional undergraduate experience

HOW EARLY ACCEPTANCE WORKS

For High School Seniors:

- Apply to LECOM's Early Acceptance Program and select Thiel
- Complete your Thiel degree while maintaining academic standards
- Apply to Thiel College
- Interview early with LECOM
- Receive provisional acceptance
- Matriculate at LECOM Erie with confidence
